GIVE A GIFT FOR A BETTER ALLIANCE BUILDING

The Alliance Française de Canberra building is the place in Canberra where we come together to learn French and keep in touch with French life and culture. However our building is aging and needs your help to ensure that it remains an attractive place to be. There are some simple improvements we can make that will achieve this and significantly improve the way it feels to be spending time at the Alliance.

The Committee of the Alliance Française de Canberra and the Board of Trustees of the Building Fund are hoping to make much needed improvements to the building over the next few years. However to do this we depend on the generosity and support of our donors.

The Alliance raises most of its income from its teaching and events however these funds are mainly dedicated to the day to day running of the Alliance. Making a tax-deductible donation to the Building Fund is another way for members and supporters to contribute to upgrading and updating the Alliance's building. We are very grateful to those people who have kindly donated to this fund in past years and we hope to add to this amount to initiate meaningful improvements in the near future.

Donations of \$2.00 or more to the Building Fund are tax deductible.

We ask you, as members and supporters to give to the Building Fund so the Alliance can upgrade and improve our building and provide additional facilities.

You can donate on the Alliance's website at <http://www.afcanberra.com.au/about-us/building-fund/> or by phone or in person at the Alliance's office. You will be mailed the receipt to claim your tax deduction.

Another option is a donation though Share Gift, a charity associated with the Australian Stock Exchange, which will arrange the sale of shares so a shareholder can make a tax-deductible cash donation, at no cost to the donor, to a charity of their choice <http://www.sharegiftaustralia.org.au>. Please let us know if you use this method to provide a donation.

Thank you for your consideration and generosity.
