Et maintenant... Musique ! (Episode 2)

🇫🇷 Un peu de musique! 🎵 🎶 pour terminer la journée! Réécoutez une ou plusieurs chansons que nous avons découvert en classe pour parler des nationalités.

Choisissez votre chanson 🎵 préférée et dites en quelques mots dans les commentaires ce que vous en pensez.

Vous pouvez faire cet exercice :

-En français avec l'aide d'un dictionnaire (n'ayez pas peur, ce n'est pas grave de faire des erreurs!)

Ou

-En anglais. Si vous choisissez de rédiger en anglais, chercher dans le dictionnaire un ou plusieurs mots en français qui peuvent résumer **vos impressions** concernant la chansons.

⚠️ Pas de panique je ne vous demande pas de comprendre la chanson ou de la résumer mais seulement de me donner **vos impressions** sur celle-ci.

🇺🇸 Some music to end the day! Listen again one or some of the songs we discovered in class to talk about nationalities. Choose your favorite song and tell in a few words, in the comments section, what you think about it.

You can do this exercise either:

-In French with a dictionary (Don't be afraid, it's ok to make mistakes!)

Or

-In English. If you choose to do it in English, look in a dictionary for one or a few French words to sum up **your feelings** about this song.

⚠️ Do NOT panic, I don't want you to understand all of the song or to summarize it, only to give me **your feelings** about it.
